Re: LSA Document #09-792; IURC RM #09-08

Dear Mr. Asberry:

Pursuant to IC 4-22-2-28, the Indiana Utility Regulatory Commission ("IURC") received the comments of the Indiana Economic Development Corporation ("IEDC") regarding the rule proposed by the IURC in LSA Document #09-792. The IEDC's Comments were received on February 5, 2010, which is more than seven (7) days prior to the Public Hearing scheduled in this matter for Tuesday, February 16, 2008, at 1:00 p.m.

The IURC understands that the IEDC has no objection to the economic impact associated with this proposed rule and has no suggested alternatives or changes to this proposed rule. In addition, the IEDC recognized that the costs associated with this rule appear reasonable and the provisions of the rule may make small businesses aware of an additional option available to them that may result in cost savings in comparison to other options.

Thank you for your review and consideration of this matter.

Sincerely,

David E. Veleta  
Assistant General Counsel
